

## HOLIDAY CLUBS

The ESCO Holiday Clubs run every school holiday, and are available to all pupils from ESCO schools at a small cost to parents/carers of £12.00 per day due to the clubs being subsidised by various funding sources.

The clubs run from 9.00 am - 3.30 pm and can be run in your school. Parents can book online at [www.northamptonesco.co.uk](http://www.northamptonesco.co.uk)

Clubs include: Arts and Crafts, Cooking, Drama, Singing and Dancing, Science, Sports, Music, Cheerleading, Martial Arts and many more!

*"The clubs are brilliantly run and my children are always happy to go. Having more than one activity in one place really helps when you have children of different genders and ages. Thank you for making the holidays so much easier, keep up the great work."*

- Parent comment from summer 2016.

## TRANSITION CO-ORDINATION

ESCO schools gain access to the transition network meeting, all key dates, a DSL conference and the transfer of yellow folders event. These transition services alone cost NON ESCO schools £200.

Join the 52 Schools already signed up!

# What you get when you become an ESCO school!

Prices for Primary Schools start from just £550.00

## NEWSLETTER

A newsletter is sent out every Monday, which encourages collaboration between ALL ESCO schools. It contains useful information for all school staff including future training courses, grants and freebies and includes important upcoming dates for the academic year.

*"The ESCO weekly newsletter is an invaluable source of information, providing information on cost effective training and reminders about local and national statutory deadlines. It's a great way of keeping in touch."*  
Comment from a Northampton Town Primary School Headteacher.

## CLUSTER PROJECTS

When you are an ESCO school you receive guidance with Cluster projects. The Duston cluster receive a 'fun run' every year which aids the transition of 400 Year 6 pupils from the primary schools which feed into The Duston School and other surrounding schools!

*"Mel has led cluster projects, for example coordinating a fun run, which has enhanced transition for Year Six"*  
Comment from a Northampton Town Primary School Headteacher.

## TRAINING COURSES

One provider for all of your training course needs:  
Paediatric First Aid, Lego Therapy, Mental Health, LGBT, Prevent, Safeguarding and much more!

### *Comments from delegates:*

- The trainers were very engaging and delivered the training at a good pace. The course was enjoyable and I feel more confident following this than I have done with previous courses.
- Friendly atmosphere and very hands on. Spirit of cooperation and collaboration and very good fun. Best course I've attended.

All training courses can be booked online at:  
[trainingcourses.northamptonesco.co.uk](http://trainingcourses.northamptonesco.co.uk)

ESCO schools receive a discount on ALL courses, including JOGO courses.

*"Mel's courses and training is responsive to our needs and is always cost effective and in our local area."*

Comment from a Northampton Town Primary School Headteacher.

## GRANTS AND FUNDRAISING

Northampton ESCO gives guidance to ESCO schools wishing to apply for grants and funding. With our help, Lyncrest Primary School received £10,000 for an outdoor play area!
